IMPRINT® - The Professional Magazine for Nursing Students.
Members receive five issues of IMPRINT® each year. This includes the special Career Planning Guide published online in January, 2013. The Guide offers profiles of hospitals with positions and internships for new graduates as well as informative articles about nursing specialties and landing your first graduate nursing position. You’ll be informed about nursing and health care legislative issues that impact your career and find out how to get involved in leadership and management activities that make you a valuable team player in all healthcare delivery settings.

Project InTouch: “Riding the Wave into the Future”
NSNA members win valuable prizes for recruiting members. Project InTouch recruiters receive a kit with membership brochures. Contact NSNA to obtain your Project InTouch recruiter number. Grand Prize is a trip to the 2013 NSNA Convention, sponsored by American Journal of Nursing.

Health and Accident Insurance
NSNA members and their eligible spouse and dependents can purchase student injury and sickness insurance provided by UnitedHealthcare StudentResources. NSNA student insurance provides exceptional value for students and their dependents. As a result of health care reform, there are significant enhancements to the coverage provided to NSNA student members this year. The 2012/2013 plan now includes preventive care treatment along with In Network prescription drug coverage. Additionally, the maximum benefit is increased to $1.25 million dollars per policy year. Continuation privilege, if eligible, is available for a period of up to three months. Along with the sickness and injury insurance program, insured students have toll-free, 24/7 access to a team of registered nurses and student assistance specialists to assist with health, personal, legal or financial issues. Discounts on dental, vision and wellness services are also included with every policy. Online enrollment is easy! Please visit www.uhcsr.com/NSNA for more information. Available in most states.

Professional Liability Insurance
Nurses Service Organization (NSO) is the official NSNA-endorsed provider of professional liability insurance for nursing students. Coverage through NSO provides students with malpractice protection for up to $1 million per claim, up to $6 million annually, for only $35 a year!* After you graduate and begin to take on full nursing duties, you’ll be eligible for a 50% discount off the full-time nurse’s premium as a First-year Graduate (good for 12 months following graduation date). Visit www.nso.com/NSNA for a fast, easy, secure on-line application or call 1-800-247-1500 for more information.

Make Yourself Stand Out When Looking For That Perfect Job: Create Your Nursing Portfolio Online

The patented Decision Critical portfolio provides student and new nurses with a great way to stand out from the crowd. Make nurse recruiters take notice by providing them not just a resume but a professional portfolio that gives them access to the source documents like awards and letters of recommendation that demonstrate you are a professional. As a student, you may not think you have enough content yet for it to matter, but it does. Starting in school, your experiences, courses, case logs, evaluations, clinicals, reflections and other competency indicators are being generated and must be captured as part of your portfolio. The information adds up quickly and can easily get out of hand. Stand out and get that perfect job using your free Critical Portfolio, which is another benefit of your NSNA membership. Visit www.nsna.org under Membership Alliance Partners.

Endorsed by the NSNA, Delmar’s NCLEX-RN® Review Online with CAT Logic is an online NCLEX-RN® test preparation and review course that provides nearly 5000 NCLEX-style questions that test all core areas covered on the licensure exam. This unique exam preparation tool provides content review with full-color illustrations, practice subject area tests and full-length mock exams that simulate Computerized Adaptive Testing (CAT logic) used in the actual NCLEX-RN® examination. Track your progress and pinpoint areas for improvement using the detailed performance dashboard.

• Simulates the real-world experience of taking the NCLEX-RN® by taking full mock exams with Computer Adaptive Testing (CAT logic) used in the actual examination.
• Create your own customized practice tests - choose the subject areas to test on, set the length of time, and whether or not you see immediate feedback after each question.
• Review your practice tests and mock exams after you’ve completed them. Rationales for each question are provided along with direct links back to the subject area content review for easy remediation.
• Additional tools include a calculator, a timer that can be turned on or off to practice time management and an option to print.
