2015-2016 Awards and Scholarships

Thank you for your interest in applying for the 2015-2016 Awards and Scholarships! It is the goal of the MNSA Board of Directors that the following awards and scholarship opportunities will recognize the hard work and outstanding leadership of our members. We realize that no award could ever thank you enough for the many ways in which you touch the lives of your fellow nursing students and the community.

MNSA offers eight awards and four monetary scholarships. This year our emphasis is going to be our 2015 Community Health Initiative “Helping our Heroes”. Through this initiative, we hope to promote the knowledge deficit related to lack of awareness of community and mental health resources for military service members, veterans, and their families.

All of our awards and scholarships recognize the individual time and effort that you have brought forth during an incredibly busy and stressful time in your careers. We hope that these opportunities will help to encourage students and local chapters to increase participation and join in this year’s health initiative. To learn more about the initiative “Helping our Heroes” visit the MNSA website at www.michigannsa.org.
